Bridgewater Football Netball Club

Junior Players & Parent/Spectators

CODE OF CONDUCT

Junior Players Code of Conduct

As a player and member of the Bridgewater Football Netball Club you must ensure the standards of the Club are met at all times by demonstrating the five core values set out in the Club's Code of Conduct.

It's a fact in life that kids are kids and some kids like to push the boundaries. Our Club does **NOT** accept Bullying in any form and therefore the following **Warnings** have been put in place.

1st Warning – Meet with Coach / Team Manager & Netball Operations Manager.
2nd Warning – Meet with a member of Executive Committee and Netball Operations Manager (18 years and under meet with child & parent/s).
3rd Warning – Suspended for 2 weeks and not eligible to win an award on presentation night.

Please speak with your child and explain what can happen if they partake in any form of bullying.

If anyone has issues regarding Bullying – please raise the matter with your coach first.

Please refer to the Club's Code of Conduct for further details.

Parents and Spectators Code of Conduct

It is great to see parents and friends coming along to support players on game day. Unfortunately some of these people can become vocal and make it uncomfortable for others around them.

Please try to stay positive and refrain from voicing your opinion out loud. If you have any issues, please speak to the Coach (at the end of the game) and/or Netball Operations Manager.

The Club will not accept bad behavior from parents or spectators and therefore the following **Warnings** have been put in place.

1st Warning – Meet with Coach and/or Netball Operations Manager.
2nd Warning – Move away from the Coach and playing area.
3rd Warning – No longer able to attend all games.

******Please remember we are all Volunteers and doing our roles to the best of our ability ******
